**Student Population**
12,000 Students

**Did you Know?**
HUT is the oldest and largest university of technology in Finland. In 1908 HUT began the teaching of technology at the university level in Finland. Helsinki Technical School was founded in 1849 and later became the Helsinki University of Technology.

Want to know more?
Check out [www.hut.fi](http://www.hut.fi) or the Helsinki Tech. box in the Study Abroad Office resource library.

Finding Courses
Before going abroad, you will need to investigate the courses available at potential host institutions. Here are instructions for finding courses on the HUT website:

- Click on **Forms and Guides** on the left side.
- Scroll down and click on **TKK’s Study Programme ECTS guidebook.**
- Click on **Courses lectured in**

Popular Courses of Study
OSU students studying at Helsinki Tech. have taken courses in architecture/landscape architecture, business, engineering, computer science, mathematics, physics, and more!

Reciprocal Exchange
This study abroad program is a reciprocal exchange. A reciprocal exchange is an exchange of students between two universities. You pay tuition and fees at your home university (OSU) while studying at a host university. You pay all other expenses to your host university. For more information on expenses, see the back of this brochure. For more information on reciprocal exchange, a detailed booklet is available from the Study Abroad/NSE Office.
