Popular Courses of Study
Some courses available to take at University of South Australia include architecture, arts and humanities, business, communications/journalism, education, engineering, environmental studies, health, information technology, performing arts, science, sports/recreation, visual arts, and more!

Finding Courses
Before going abroad, you will need to investigate the courses available at potential host institutions. Here are instructions for finding courses on the UniSA website:

- Go to http://www.unisa.edu.au/inhome/default.asp click on Find a Program under prospective international students
- Click on the blue square labeled Program Search
- Select Majors, minors/sub-majors and Available Majors/Minors
- From here select your Major and the class

Reciprocal Exchange
This study abroad program is a reciprocal exchange. A reciprocal exchange is an exchange of students between two universities. You pay tuition and fees at your home university (OSU) while studying at a host university. You pay all other expenses to your host university. For more information on expenses, see the back of this brochure. For more information on reciprocal exchange, a detailed booklet is available from the Study Abroad/NSE Office.
