Congratulations on taking the first step toward studying on the National Student Exchange! Please read the instructions below to better understand the application and selection procedure.

Your Application should include

- Application form
- Official transcript of all work completed after high school
- Reference forms (2 - one must be from an academic advisor)
- Statement of Purpose
- $300 non-refundable application fee charged to Bursar’s account

You must submit your application in person to the Study Abroad/NSE Office, 242 Student Union so that a staff member can review it prior to its acceptance. Drop by or call (405) 744-8569 for an appointment (strongly recommended during busy times of the year).

Application deadlines

**February 15** is the final date for priority consideration, for both fall and spring semesters. Applications received after this date will be considered after priority placements have been made. Notification of placement will be made after the placement conference normally in mid-March.

Application form

If your time is limited, you may want to schedule an appointment to submit your application form in person. Otherwise, please bring the application form to the Study Abroad/NSE Office.

Transcripts

Provide an official transcript of all academic work completed after high school.

Reference forms:

Please submit two references, one from an academic advisor. Complete the first section of each Reference Form, indicating your reference. Your reference should complete the rest of the form and may return it directly to the Study Abroad/NSE Office or allow you to pick up and hand-deliver the reference in an envelope sealed and signed by the referee.

Statement of Purpose

Submit an essay of 500 words or fewer explaining the reasons you selected your first choice institution, and indicating the study program you plan to pursue.

Placement Acceptance

If you are chosen for the National Student Exchange program, your name will be submitted to one or more of your designated universities at the NSE Placement Conference held in mid-March.

Host Application

If you are accepted at one of your chosen universities, you will be asked to complete that institution’s application. Final acceptance rests with your host university.
