Credit Posting Guidelines for Affiliated/Approved Programs

1. If student’s enrollment in TEMP 1777 credit hours exceeds the number of total credit hours listed on the Host University transcript:
   - Past the 6 week deadline, a grade of ‘W’ will be assigned to the course that was listed on the ‘Final Schedule of Record’ (FSOR) but did not appear on the official transcript from the Host University (because student did not withdraw by the deadline date).

2. If there is an extra course on the Host University transcript that is not on the final schedule of record, and student was enrolled in less TEMP 1777 credit hours:
   - The extra course (whether previously evaluated or not) WILL be posted on the OSU transcript.

3. If student’s credit hours on the Host University transcript match the TEMP 1777 enrollment, but one course on the transcript was not listed on the FSOR:
   - The course WILL be posted on the OSU transcript whether or not previously evaluated. If not previously evaluated, it will be evaluated upon receipt of the Host University transcript by an evaluator in the Office of Admissions

IN GENERAL:

- All courses listed on the host university transcript will be posted on the OSU transcript. A grade of “W” will be assigned to any access credit hours.
